RANDOLPH

Mrs. Emma Reed has gone to New
York for a few weeks' visit with Mr.
and Mrs. Homer Rainey.

Mrs. C. S. Booth and her mother, Mrs.
Heber Holman, have gone to Waterbury
for a brief visit with friends.

C. S. Booth was at South Royalton
Monday to install a new 25-drop switch-
board for the Orange County Telephone
company.

A. E. Chandler has been passing a few
days with his brother-in-law, Mari Castle
and returned to Brooklyn the first of
the week.

Bentley Hayes is in Burlington for a
few days, the guest of her sister, Miss
Grace Hayes, who is a student at the
University of Vermont.

Mrs. Josephine Spier has suffered a
stroke of paralysis, which affected the
left side, from which she at present
seems to be recovering. Mrs. Della
Gourley has the care of her.

Mrs. Chester Hood was summoned to
South Royalton Thursday night by the
critical illness of the little son of Mr.
and Mrs. Robert Fielders. Mrs. Oliver
Hood has been there several days assist-
ing in the care of the child.

Mr. and Mrs. L. S. Brigham delight-
fully entertained a party at their home
evening recently. Valentine's divided
directed the choice of partners for the
games, valentine covers were on the ta-
bles and valentine cookies, with other
delicacies were the refreshments. The
winners were Mrs. P. P. Lamson and
A. E. Bass.

Several of the High school boys have
been annoying Barney Shapiro by the
exploding of fire crackers in the night.
After a season of this, Shapiro put up
a notice in front of his studio which
read as follows: "Please do not fire any
more crackers around here." This was
removed and a "Black Hand" notice
put in its place by the boys. This sort
of a diversion brought States Attorney
Stanley C. Wilson from Chelsea Wed-
nesday to investigate the matter. One
young man confessed to writing the no-
tice, but who put it up was not divulged.

A note of apology was written Mr. Shapiro
and the affair was allowed to go
without a trial, on condition that there
should be no recurrence of trouble.

The Christian Brotherhood gave a very
successful ladies' night on Thursday
evening. A banquet was served early in
the evening, at which there were 250

consisted largely of smilax and potted
plants, which converted the dining hall
into a scene of great beauty. Following
this was the lecture of Dr. D. P. Fox
in music hall, which was attended by
a large number of people, who enjoyed
the talk of the gifted orator from the
first word to the close. Scarcely, if ever,
has there been a more successful evening
given by the Brotherhood, combining as
it did a feast of good things to supply
the physical and intellectual.

CAN ENJOY YOUR MEAL

Give Your Stomach a Good
Eat Without Fear

END ALL THIS MISERY

Whatever You Eat Will Be Digested
Leaving Nothing to Ferment—If
You Will Take a Little
Diaspepsin.

The question as to how long you are
going to continue a sufferer from indi-
gestion and stomach trouble is merely
a matter of how soon you begin taking
Diaspepsin.

If your stomach is lacking in diges-
tive power, why not help the stomach
to do its work not with drastic drugs,
but a re-enforcement of digestive
agents, such as are naturally at work
in the stomach.

People with weak stomachs should
eat Diaspepsin after meals, and there
will be no more indigestion, no feel-
ing like a lump of lead in the stom-
ach, no heartburn, sour risings, gas on
stomach or belching of undigested food,
headaches, dizziness or vomiting, and,
besides, what you eat will not ferment
and poison your breath with nauseous
odors. All these symptoms resulting
from a sour stomach and dyspepsia are
gently relieved by the action of Diaspepsin
after eating one Triangule of Diaspepsin.

Go to your druggist and get a 50-cent
case of Diaspepsin now, and you will
always go to the table with a
hearty appetite, and what you eat will
taste good, because your stomach and
intestines will be clean and fresh, and
you will know there are not going to
be any more bad nights and miserable
days for you. They freshen you and
make you feel like life is worth living.

RAILROAD BURIED IN ICE.

Little Hope of Clearing White River
Line Before Tuesday.

Bethel, Feb. 20.—The entire track
force of the White River railroad, and
some extra men are at work digging
out the nineteen miles of track buried
under a solid mass of ice. Since Mon-
day evening there has been no traffic
over the road and there is little hope
of trains being run before next Tues-
day. The Bethel granite railroad has
suffered similarly but less embarrass-
ment has been caused thereby as only
freight trains are run on it.

W. S. Hickok of Middletown Springs
is tanning and dressing the skin of a
snow white deer. The skin was sent
him from Massachusetts where the
deer was killed by dogs.

TIME IS THE TEST

The Testimony of Barre People Stands
the Test.

The test of time is what tells the tale.
The public soon finds out when misrep-
resentations are made, and merit alone
will stand the test of time.
Barre people appreciate merit, and
many months ago local citizens publicly
endorsed Doan's Kidney Pills; they do
so still. Would a citizen make the state-
ment which follows unless convinced
that the article was just as represented?
A cure that lasts is the kind that every
sufferer, from kidney ills is looking for.

Geo. L. Cummings, 75 Prospect street,
Barre, Vt., says: "In 1897 when Doan's
Kidney Pills were procured at E. A.
Drown's drug store, there was a constant
ditching in the small of my back and
kidneys. In addition to this was a dis-
tressing kidney weakness which caused
me no little annoyance. Doan's Kidney
Pills cured me and there has been only
two slight recurrences of the trouble
since. At such times I have taken a
few doses of Doan's Kidney Pills and
found prompt relief."

For sale by all dealers. Price 50 cents.

it to Frank Martin who cashed it and
paid him the full value of \$10.83 af-
ter which he immediately left town.

A hearing was held at Bethel Inn on
Wednesday before the state board of
railroad commissioners to consider the
abolishment of the dangerous Friday
crossing. State's Attorney Buck
represented the state and C. W. Witters
the railroad. Chief Engineer Morrison
of the C. V. railroad was present and
submitted plans with estimates of cost
as did also Dr. L. M. Clough and B. G.
Bundy of Bethel. Judge Richmond an-
nounced that a second hearing would
be held on Wednesday, April 7, and re-
quested that all future estimates be
made upon a 6 per cent basis on all
the different methods suggested. It is
understood that in abolishing the grade
crossing the expense is 65 per cent to
the railroad, 25 per cent to the state
and 10 per cent to the town.

pennies from friends in that vicinity
which was fully appreciated and will
afford much pleasure to a shut in.

Sunday evening, February 14, an
audience of over one hundred assembled
for a union service of worship and song
at the Methodist church in Cabot. A
chorus choir, augmented by three vi-
olins and a clarinet, led the singing. The
sermon was by Rev. W. T. Sparhawk
of the Congregational church. Topic:
"Walking with God." Text Gen.
5:23. Such a large attendance, in a
widely scattered farming community,
on a stormy evening, suggests that
good music and united effort may prove
factors in the solution of "the Sunday
vice" February 28. Mark your calen-
